mini Chew™

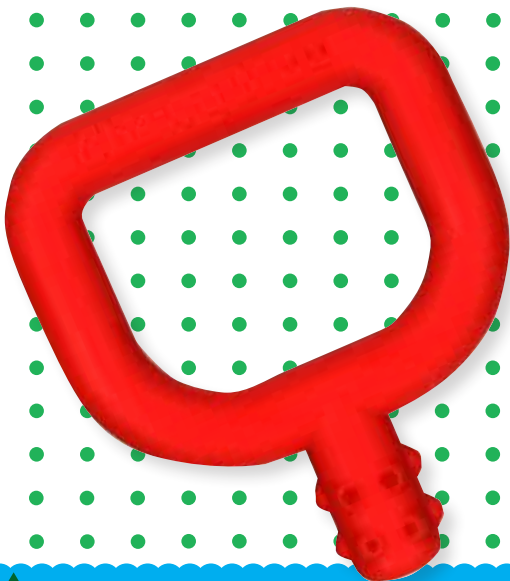

Take your baby
beyond the pacifier!

STAGE TWO
TEETHER

for sensory stimulation

The **FUN** soothing
mouth exerciser for
babies 6-24 months

MADE IN MAINE

Knobby mini Chew™

A safe, nurturing way to develop
biting and chewing skills

Knobby Mini Chews make fun squeaky sounds babies love ~ and are recommended by **Speech Pathologists** and **Pediatric Dentists** for healthy mouth development. Knobby Mini Chews are free of latex, lead, BPA, PVC and phthalates. All material is FDA compliant.

- **STAGE TWO** Unique bumpy texture for new baby teeth
- Perfect for little hands
- Encourages graded jaw motion for feeding and speech skills
- Leaves mouth open for breathing and sound play
- Wash with mild soap and water
- Replace when signs of wear are visible
- Complies with ASTM 963

**Take your baby beyond the pacifier
with the teether babies love!**
