for sensitive new gums

The **FUN** soothing  
mouth exerciser for  
babies 4-24 months

MADE IN MAINE

# Chewy mini Chew™

A safe, nurturing way to develop  
biting and chewing skills

1  
SMOOTH

**Chewy Mini Chews** make fun squeaky sounds babies love ~ and are recommended by **Speech Pathologists** and **Pediatric Dentists** for healthy mouth development. Chewy Mini Chews are free of latex, lead, BPA, PVC and phthalates. All material is FDA compliant.

- **STAGE ONE** Unique chewy texture soothes baby's new gums
- Perfect for little hands
- Encourages graded jaw motion for feeding and speech skills
- Leaves mouth open for breathing and sound play
- Wash with mild soap and water
- Replace when signs of wear are visible
- Complies with ASTM 963

**Take your baby beyond the pacifier  
with the teether babies love!**
