

Sensory Dipper™

From the Makers of

Chewy Tubes®

Made
in
USA

INNOVATIVE

Oral Sensory Tool

TO DEVELOP ACCEPTANCE TO TASTES

To Use:

- Dip the Sensory Dipper into pureed food (i.e. applesauce, yogurt, pudding, etc.)
- Collect some food into the pockets on the bitable stem
- Present taste pockets to Right and Left sides of the mouth as the individual's readiness level allows
- Enjoy a fun tasting experience!

To clean: Wash with mild soap and water. Inspect before each use and replace when signs of wear are visible. Free of latex, lead, BPA, PVC and phthalates. US FDA approved materials.
